

Grand Opening & Open House at Pike County Chamber's Newest Member

Primerica Financial Services

The Pike County Chamber of Commerce's newest member Primerica Financial Services hosted an Open House to celebrate their Grand Opening at the Lumberyard Shops in Milford, PA on Saturday, April 14th. Many people stopped over throughout the afternoon to their beautiful new location at 115 Seventh Street at the Lumberyard Shops in Milford and enjoyed some food and refreshments, saw their expansive offices and learned all about Primerica a community based financial services company. Their focus is an educational approach to teaching people "how money works."

They are looking to grow within the Pike County community and are also expanding their team. Interested future team members may call 570-296-4521 or stop by anytime.
