

April is Autism Awareness Month

Help us “Knock it back Blue” !

April is recognized around the world as Autism Awareness Month. Perhaps you're aware of the movement to “Light it up Blue”.

As our organization continues its mission to spread Autism Awareness and Acceptance of individuals with this disorder, we look to our community for their support.

In the spirit of good food and good fun we invite you to join us for “Knock it Back Blue” in recognition of Autism Awareness/Acceptance Month here in Pike County.

The event will consist of the creation of a Blue Drink (Alcoholic or non-Alcoholic) by our local Restaurateurs and the sale of our “Knock it Back Blue” t-shirts. A portion of the proceeds from the drink sales will go towards supporting our programs and services.

So let's:
