

# SAFE HAVEN GRAND OPENING

*Pike County Chamber of Commerce welcomed Safe Haven of Pike County back to the business community. Safe Haven of Pike County recently re-structured its organization while the doors were closed for a few months. Safe Haven of Pike County's new director Tamara Chant invited the business community and the Pike County Chamber of Commerce for a Grand Re-opening Ribbon Cutting Ceremony. It was a great turnout for a mid-day Grand Opening opportunity. The Pike County Chamber of Commerce is thankful to have Safe Haven of Pike County in our business community and we are thankful to have them as chamber members. To learn more about the services that Safe Haven of Pike County offers, please visit their website at [www.safehavenofpikecounty.org](http://www.safehavenofpikecounty.org)*
