

SOS Xtreme Fuel Hosted Networking Event

Pike County Chamber member SOS Xtreme Fuel hosted a Networking Event this month at their location at 322 Broad Street in Milford, PA. Owner Meredith Spiegel was pleased to see so many local businesses in the area stop by and network with them. They offered light refreshments and went over what they offer to residents and businesses in Pike County as far as supplying propane and heating oil and installing and servicing heating and cooling (HVAC) systems as well as backup generators, landscaping lights and other electrical services. If you were unable to make this event, please feel free to stop in or call Patrick or Meredith to learn more about how SOS Extreme Fuel can help your needs. Please call 570-409-3529 or visit the store at 322 Broad Street in Milford, PA.
