### CAROL RYAN

*Carol was introduced to the Home Equity Conversion Mortgage over 12 years ago, she realized the reverse mortgage has the ability to secure a seniors retirement and add a quality of life. She enjoys taking the time and listen to what they want for their*

*future and find the best solution for each person because each of us are different and want different solutions long term and short term.*

*Carol moved from the North Fork of Long Island to Historic Milford in March of 2017 and loves it. She loves taking my two rescue dogs Molly and Gracie for morning walk, she makes sure to include her Bear Bells (Does not want to sneak up on a bear!) She is the mother of six children and many grandchildren which visit on a regular basis which bring joy to Carol.*
