

The Pike County Chamber of Commerce held its monthly Breakfast seminar at Jorgenson's at the Dimmick Inn and our monthly sponsor and speaker was the Pike County Economic Development Authority and executive director Mike Sullivan. During the breakfast Mr. Sullivan spoke about how we are doing in Pike County, the trends, jobs, wages, real estate, demographics and can we tell anything about the future? This is the 2nd year Mr. Sullivan spoke at the chamber's breakfast seminar bringing in a fairly large crowd like normal. Mr. Sullivan informed the crowd of new jobs that have been created in Pike County, projects that we won and projects that were lost in Pike County and he informed the crowd as to WHY. Mr. Sullivan also went into the real estate market a little bit and called upon Real Estate Broker Dave Chant for some assistance and input in regards to the market. The Pike County Chamber of Commerce would like to thank Mike Sullivan and the attendees of the breakfast seminar. We hope that everyone learned from the breakfast and was able to see where we stand here in Pike County. We look forward to seeing you at our July Breakfast.
